Current Business:

- Approved minutes from March meeting by unanimous vote.
- **Big Brew Day Competition 2023** – Beers will be brewed at Pomona Brewery on May 6. Kevin will sell us ingredients at cost. All entries will be using the Nearly Nirvana Pale Ale recipe. The club will pick the best entry and send that to the regional competition. The club approved funding the ingredients by vote. Matt will coordinate.
- **SMaSH** competition is going forward. Bookcliffs set a date of May 27th for entries and we adopted that date as our deadline too.

New Business:

- **Montrose County Fair** will be July 21-29. We will host an AHA-sanctioned competition for beer, wine, cider, and mead. Andrea is heading this up with help from Missy.
- The **Spring Picnic** was discussed and we’re shooting for some time in June.
- A **“How to Judge Beer”** session will be held before Fair.

- David encouraged all to review the club's [constitution](#) and would like to decide at next meeting to continue with it as is or make changes.
- We discussed the importance of setting up a **501(c)(3)** or **501 (c)(5)**. We'll be able to establish a bank account, set up an online store, and collect dues. David will investigate this before the next meeting.
- **Next meeting will be at Pomona Brewery in the back behind the fence. We'll need to bring table(s) and chairs. The date/time is May 18 at 6:00 PM.**
