Topics:

**Saint Patrick's Day Celebration**-we discussed the possibility of a new event for BCHA on 3/16/24. A committee was formed earlier to look into what it would take to set up the event. Some of the details regarding the event include-location-street next to Horsefly; sponsorship from Horsefly with \$1000 to help cover some of the costs; City of Montrose is on board for event and parade; event insurance quote for \$1050. Would like to get live music; Jerry has a sound system we can use. A motion was made and seconded that we move forward with holding a Brewfest for a St. Patrick's Day Celebration on 3/16/24.

Discussion of getting another sponsor so that we can pay for a band and stipends for the brewers. Eric has reached out already to some of the brewers and Mike Thomas, brewer at Colorado Boy in Montrose also attended the meeting.

Jerry has been gathering info on media sources; Matt and Andrea will work on getting the word out on Facebook. Terry is working with Leann at Mosaic to do our posters. We need to get ahold of MABA about helping us with the parade and Terry will help coordinate the parade.
