Current Business:

- Approved minutes from the July 18, 2024 and August 15, 2024 meetings unanimously

## **Anniversary of the club!:**

- We are 20 years old this year-should we do something to celebrate? Some discussion but no decisions were made. Reach out to David if you have thoughts/ideas!

## **Oktoberfest**

- We have also expanded our volunteer options—we are looking for more folks to pour for the later shift (2pm-5pm) ! If you don't have the TIPS training, make sure you partner up with someone who does. The volunteer meeting for Oktoberfest is on Thursday, 9/26 at 6pm at Pomona Brewery. You'll get your volunteer t-shirt and a beer, along with some good information about the event.

## **Recap of the Archeology of Ancient Brewing**

- After some confusion, including wandering into an AA meeting, David and Eric attended the event. Sounded interesting and the group decided to see if we can get the speaker to come to one of our regular meetings to present to the group. David is to follow up and schedule.

## **Discussion:**

The group got to try a number of Oktoberfest beers.
